Mr. Alfred Page,  
16, rue Milton,  
Paris (IXe), France

Dear Sir:

May I advise you that the copies of your publications, which are sent to the address on the enclosed cover, should be discontinued. Dr. Marvin died some time ago and "The American Journal of Numismatics" is no longer being printed. I think you send copies to the library of the American Numismatic Society. If you do not, have this address on your mailing list, you might substitute it for that of Dr. Marvin.

Very truly yours,

Secretary
